

Formatting of
HTML elements
CSS

```
graph LR; A[Formatting of HTML elements CSS] --> B[Web page HTML]; C[Experiment code Javascript] --> B;
```

The diagram consists of three rounded rectangular boxes. The leftmost box is light blue and contains the text 'Formatting of HTML elements CSS'. An arrow points from this box to the middle box. The middle box is light orange and contains the text 'Web page HTML'. The rightmost box is light green and contains the text 'Experiment code Javascript'. An arrow points from this box to the middle box.
